AMICE Congress postponed until 2021

New Congress dates: 19-21 April 2021, Bilbao

With the safety of members and stakeholders foremost, the Association of Mutual Insurers and Insurance Cooperatives in Europe ([AMICE](#)) has made a further postponement of the [AMICE Congress](#) until 19-21 April 2021. The Congress will continue to be hosted by AMICE member Seguros Lagun Aro in its home city of Bilbao.

Despite conditions in Europe surrounding COVID-19 becoming clearer, safety and protection of all attendees has been the governing factor in AMICE's decision to delay the Congress until next year.

We thank Lagun Aro and our conference partners in Bilbao for their support and assistance in rearranging our event in such a difficult period.

The Congress theme of transformation and change has never been as relevant as now. Disruption is taking multiple forms, leading to many channels of transformation. The Congress will reflect the dynamic nature and unpredictable direction that change can take.

We will be contacting confirmed delegates, speakers and sponsors individually in the coming days.

All delegates who have already registered for the Congress will be given the option of transferring their registration to the new dates. Full refunds are available for delegates unable to join us in October. New registrations can be made via the [Congress website](#).

We look forward to seeing you in 2021, in an incredible city and internationally recognised urban landmark which transformed itself in the face of extended adversity.

DELEGATE TRANSFERS

We will be contacting all delegates registered to date in the coming days to make transfer arrangements. If you have an urgent enquiry, please contact the [Congress agency](#).

About AMICE (Association of Mutual Insurers and Insurance Cooperatives in Europe)

The Association of Mutual Insurers and Insurance Cooperatives in Europe aisbl (AMICE) is the voice of the mutual and cooperative insurance sector in Europe. The Brussels-based association advocates for appropriate and fair treatment of all mutual and cooperative insurers in a European Single Market. It also encourages the creation and development of innovative solutions for the benefit of European citizens and society.

Mutual and cooperative insurance follows the principles of solidarity and sustainability, and is characterised by customer-membership and a democratic governance. The mutual business model, with its focus on using surpluses for the benefit of its members, is the natural way to provide insurance.

More than half of all insurance undertakings in the EU are mutual and cooperative insurers which account for a market share of more than 32%. They provide cover for more than 420 million members/policyholders and employ nearly 440,000 people.
